Re: Sponsorship

Thank you very much for the sponsorship provided by your company for our Kids program "Kz- Under the Big Top". The tent, flooring and the chairs were of very good quality. The tent and flooring were set-up on the day expected and were easy to assemble.

James Sullivan was very helpful on all the steps to make this possible. May 10<sup>th</sup> was our big opening day and the kids absolutely loved it.

Thanks once again for making this possible.

Good bless you  
Sincerely,

Eric Hansen  
Pastor
